

Public Meeting Notice Village Hall-1233 Charlotte St, Boyceville, WI
Public Safety Committee of the Boyceville Village Board
February 9th, 2023 @ 11:00 am.

Minutes

1. Called to order at 11:01am by Montgomery.
 - a. Committee attendance: Sonya Zebro & President Montgomery
 - b. Staff attendance: Chief Lamkin & Deputy Clerk-Treasurer Samantha Bird
2. Title 11 discussion: Committee looked at current ordinances in comparison to proposed changes, asked for clarification and why some verbiage was removed. Chief Lamkin explained that many items under current Village Ordinances are already a crime and that there's no reason to explicitly list them in local ordinances. Committee will research ordinance and building codes for coal/wood stoves and ask the Board their position on Recreational Vehicles ordinances. Any/all changes will be noted in red, so they are noticeable to the Board and Public.
3. Title 12 discussion: Committee looked at current ordinances in comparison to proposed changes, discussed listing an end time on Park reservations with a 30-minute window after the event to clean/pack up and vacate the park. Also discussed curfew times for the parks and alcoholic beverages in the park not for resale.
4. Part-time police officer: Chief Lamkin expressed need for a PT Officer as he is contacted more often to check in at the Schools, and estimates wages/expenses of \$7-8,000 per year. Zebro asked the Chief to prepare a call-log showing the number of times police presence is requested by the school district vs. how often the police department stops in as part of their rounds.
5. Meeting is adjourned at 1:22pm by motion of Zebro, seconded by Montgomery, voice vote carried.

February 13th, 2023

Samantha Bird-Village of Boyceville Deputy-Clerk Treasurer
