Minutes

Attendance-Bud Gilbertson, Bill Kuesel, Brittany Halvorson, Sonya Zebro, Greg Holden, Wheeler.

Meeting started at 6:00 PM

1. Operations update- Bud had a first on 6/5, as a person brought in a large cardboard tube that was filled with a large snake. Last month, they were quite busy and sent 3 demolition boxes and 2 metal boxes. Recycle we're sending every 5 days instead of 6 like previously. We have about 75 tires on hand. One barrel full of oil filters and filling up another one. Electronics have been picked up. We're having a little trouble with the east compactor, it will cut out at 1,000 lbs. Otherwise, things are going well in general. We will have to keep an eye on the compactor to see if it will need any servicing. Bud and Brittany to coordinate dump deals for the summer.
2. Review Financials- Currently, the dump is doing well. Our expenses are roughly 29% of what we expect to spend in 2024 and we've brought in 27% of our expected revenue.

Meeting adjourned at 6:36 PM
