

Village of Boyceville- Responsible Unit Board
Meeting- March 20, 2025
6:00 PM
Village Hall-1233 Charlotte St, Boyceville, WI

Minutes

Attendance: Brittany Halvorson, Bud Gilbertson, Luke Montgomery, Jeremy Nutter and Bill Kuesel.

Meeting called to order at 6:00 PM

1. Overall, operations are progressing smoothly. Weather conditions have posed some challenges over the past five months. However, in the past week, all electronics have been successfully collected, and the demolition bin has been utilized extensively. Last Thursday, we sent out a shipment of metal. We have already received a substantial number of tires, and the oil container is approximately half full—both of which were emptied late last fall. The anti-freeze and oil filters are nearing empty. Additionally, the brush burn has been completed successfully without any issues. Lawn waste levels are lower compared to last year. The fire inspection has been conducted, and no concerns were raised.
There has been some discussion regarding the potential need for a second demolition bin, but at this time, it is not deemed necessary.
2. Weather Closings will be as follows:
 - Close if the air temperature is below -20°F.
 - Snow Events: If the area is plowed, it will remain open

Meeting adjourned at 7:03 PM
